

The one I love - SOTM April 2011

I heard this song a lot in April while we were staying with our good friends George and Bridge and their beautiful boy Malachy in the Barossa. It's on their iTunes playlist so it came on every afternoon or while we were playing cards and I realised I quite like it.

So April's SOTM is 'The one I love' by David Gray. The lyrics also tell a story which Jentopia fans know I like in songs.
